USER MANUAL
Basiest OMC Pro

04.2022

FIRST STEPS

Notice:

Avoid getting water into the keyboard, as this may cause the keyboard to malfunction.

Open the device only after it has been disconnected from the power supply and at your own risk.

Modifications to the device that were not intended by the manufacturer will void the CE mark and the warranty.

Commissioning:

Remove the transport packaging and check for external damage.

Remove the bottom cover and connect the cable to the Micro USB slot.

Connect the USB port of the OMC to your computer or laptop.

Turn on your laptop or computer.

Enable global commands in Zoom

Now you can perform shortcuts in Microsoft Teams and Zoom.

If you encounter any problems, please contact our customer service at Support@basiest.com.

EU DECLARATION OF CONFORMITY

CE CERTIFICATION

Manufacturer:
Mahmoud Chavoshinia Trading GmbH
Brook 6
20457 Hamburg
Germany

declares that following product:
